Dear Ms. Clark:

In compliance with Section 2.1-342 of the *Code of Virginia* concerning the indexing of databases, in which public bodies are required to submit information on all core databases created on or after July 1, 1997, this letter serves to indicate that the Virginia Economic Development Partnership (agency code 310) has no databases created on or after that date. Many of the existing databases will be reported in future updates on the Database Index Reporting Form as they are revised in the next year. These updates will be provided by Adrienne Ferriss, Director of Information Systems. Ms. Ferriss may be reached by telephone at 804-371-8118 or via E-mail at aferriss@vedp.state.va.us.

Sincerely,

Mark R. Kilduff
Deputy Director
